

The Third Temple,  
Donald Trump,  
and the  
Tabernacle of David

# Coinkydink 1: *Trump and the Kings*

---

**Isaiah 45:1** – Yahweh says of Cyrus: *“I have taken hold of your right hand to help you capture nations and remove kings from power.”*

Several prophecies by Mark Taylor and Torah Code expert, Rabbi Matityahu Glazerson, predicted that Donald Trump would be the man appointed to be president.

It is said that Cyrus died at the age of 70, and on the first day of his Presidency, January 21, 2016, Donald Trump turned 70 years, 7 months, and 7 days old.

It would appear that if Trump is the “***new Cyrus***” then he has taken up the mantle that the Biblical Cyrus departed.

Not only is Trump the 45th President, he seems bound and determined to remove at least one king, the Ayatollah of Iran, from power.

Just coincidence, I'm sure!

# Coinkydink 1: *Trump and the Kings*

---

**Isaiah 44:28** – Yahweh says to Cyrus: *“My shepherd, he will fulfill all my pleasure and say to Jerusalem: ‘She will be rebuilt, and of the temple: Its foundation will be laid’.”*

**Ezra 1:2** – *“Thus says Cyrus king of Persia, ‘Yahweh Elohim of heaven has given me all the kingdoms of the earth; and **has charged me to build him a house at Jerusalem, which is in Judah**’.”*

Donald Trump has been compared to **King Cyrus of Persia** by several people and news outlets. It has even been conjectured that Yahweh will use Trump to be a modern day Cyrus for the good of Israel. He might even use Trump for the good of America.

The Sanhedrin declares that Trump is advancing a prophetic process that will usher in, when the time comes, the rebuilding of the Third Temple. Rabbis believe that Trump is guided by Ha'Shem [Yahweh] and that he has been anointed to rebuild the Third Temple

But is this at all scriptural?

# Coinkydink 1: *Trump and the Kings*

---

**Haggai 1:1-4** – *“In the second year of Darius the king, . . . the Word of Yahweh came by Haggai, the prophet, saying, ‘Is it a time for you yourselves to dwell in your paneled houses, while this house lies waste?’”*

Trump has also been compared to **King Darius** as well as to Cyrus. Cyrus had already told them to build the temple. Darius agreed, but the people questioned whether or not it was time.

The Israeli Sanhedrin has been making plans for the rebuilt third Temple, and in 2016 called upon Trump and Vladimir Putin to *“join forces and fulfill their Biblically mandated roles by rebuilding the Jewish Temple in Jerusalem.”*

As of 2018, the foundations of the dwelling place (house) for the High Priest and the foundations of a museum are being laid next to Western Wall at the back of the wall according to Pastor Paul Begley.

Just another coincidence, I'm sure.

## Coinkydink 2: *Trump and the Rabbis*

---

Just prior to his death in January 2006, Rabbi Yitzhak Kaduri began telling Jewish people worldwide to return to Israel, saying “*things are shaking, so that we can rebuild the Third Temple.*” He further stated that the Messiah would return after the death of Ariel Sharon, which happened in January 2014.

As of today, some of his disciples have declared that Messiah is already here, and when the time is right, he will make himself known. This comes from the two messiah teaching about Mashiach ben Joseph and Mashiach ben David. In their thinking, a man, Mashiach ben Joseph, will be the precursor making the way for Mashiach ben David.

Some Orthodox Rabbis have even stated that Trump is Mashiach ben Joseph.

Yet another coincidence, I'm sure.

# Coinkydink 3: *Trump and Gematria*

---

**Psalm 140:4** – *“They have sharpened their tongue like a serpent; vipers’ venom is under their lips.”*

Many Rabbis use Gematria, or Hebrew numerology, for revealing hidden meaning in the Bible. Gematria is not an exact science but is widely used and generally accepted.

It is studied and taught by major rabbis and Jewish thinkers.

It has been a part of Biblical interpretation, with examples in the Mishna (the oral law) dating from the first century, and in later times in the Kabbalah.

When applied to the name Donald Trump (דונלד טראמפ), it is the same as that of “Messiah for the House of David” (משיח בן דוד), 424 or 212 x 2.

Yikes!

## Coinkydink 3: *Trump and Gematria*

---

The Gematria of Donald Trump's name also points to one of his traits that has been especially problematic:

424 is the equivalent of "*like a snake*" (כְּמוֹ-נָחָשׁ)  
which is referred to in **Psalm 140:4**.

This application of Gematria does not mean that Donald Trump is the Messiah, but that his presidency will usher in the Messianic era.

Ben Ish Chai, an authority on Jewish law and master Kabbalist, interpreted the number 212 as a difficult time for Israel before the Final Redemption.

Yeranen Yaakov interprets this to mean that a Donald Trump presidency will be doubly bad for the Jewish people.

In either case, the dark period is the anticipated necessary step immediately preceding the Messiah.

Double Yikes!

The Gematria of the letters on the dreidel (358) is the same gematria as that for Mashiach (*Mem*=40, *Shin*=300, *Yod* = 10, *Chet* =8)!

# Coinkydink 4: *Trump and Fake News*

---

**Isaiah 44:24-25** – *“I am Yahweh who . . . who destroys the omens of the false prophets and makes fools of diviners; who confounds the wise and makes their knowledge foolishness; who confirms the message of His servant, and who says to the depths of the sea: ‘Be dry’.”*

The false information disseminated by numerous news agencies has time and time again forced those same agencies to disavow their false prophets! They sound like fools, totally confounded by what Trump and his administration is accomplishing. *“This became apparent after multiple stories from a variety of some of the biggest networks, NYT, CNN, Washington Post, ABC News, CBS News, and MSNBC, have had to be corrected, edited, changed, re-headlined and in some cases completely retracted, and in other cases employees were forced to resign or were suspended, once the truth was revealed”*, according to All News Pipeline.

Despite the continuing anti-Trump sentiment and vitriol, Trump’s message is going out and his agenda to clean up the swamp, or to dry up the sea as scripture puts it, is slowly picking up steam – Yahweh seems to be affirming the message of his appointed servant.

Yah, Yah, I know, just another coincidence!

## Coinkydink 5: *Trump and the Temple Coins*

---

Trump has proved to the world that he not only makes declarations, but also acts upon his beliefs:

*He transferred the American Embassy from Tel Aviv to Jerusalem and.  
He declared Jerusalem to be the Capital of Israel.*

And following this historic event, the Trump Temple Coins were minted.

The coin concept was conceived by Professor Hillel Weiss and the coins were produced by the Mikdash Educational Center in Jerusalem.

- The Trump Temple Coins are not just medallions or souvenirs.
- The coins are called a half-shekel, and are nine and one-half grams (one fifth of an ounce – **Exodus 30:13**) of silver. According to the Mikdash Temple Educational Center, this meets the Torah specifications for actual coins that can be used in the temple services.
- These coins are also now made in gold.

# Coinkydink 5: *Trump and the Temple Coins*

---

**Psalm 147:2** –*“Yahweh builds up Jerusalem; he gathers the outcasts of Israel.”*

The coins are precious coins that have an entire story to tell.

They call for the continuation of the in-gathering of the Jewish exiles from all corners of the globe. They will come to the Land of Israel, to Jerusalem and the Temple, and to the fulfillment of peace in the world, through the establishment of the Third Temple and the realization of the prophetic vision.

The message on the coin is addressed to all the “Seventy Nations” who are called upon to accompany the Jewish People on their journey to establish the Holy Temple as a place of peace.

The Menorah, the symbol of the State of Israel, stands in the center of the coin, together with the ancient Persian emblem and the seal of the United States of America. It represents the light of the Temple spreading out to the world.

## Coinkydink 5: *Trump and the Temple Coins*

---

**Psalm 147:2** – *“Yahweh builds up Jerusalem; he gathers the outcasts of Israel.”*

On Monday, March 5, 2018, in Washington D.C., shortly after the Trump Temple Coins were produced, Prime Minister Netanyahu addressed President Trump and also compared the President to King Cyrus, saying:

*“I want to tell you that the Jewish people have a long memory; so we remember the proclamation of the great king, Cyrus the Great, the Persian king, 2,500 years ago. He proclaimed that the Jewish exiles in Babylon could come back and rebuild our Temple in Jerusalem . . . . And we remember how a few weeks ago, President Donald J. Trump recognized Jerusalem as Israel’s capital. Mr. President, this will be remembered by our people through the ages.”*

Just another coincidence, no doubt . . . !

# Coinkydink 6: *The Copper Scroll* *and the Tabernacle of David*

---

**Isaiah 45:3** – *“I will give you treasures hoarded in the dark, secret riches hidden away, so that you will know that I, Yahweh, am the God of Israel.”*

The Copper Scroll is an account of sixty-four locations where gold, silver, and other treasures are said to be buried, which is thought to be written between 25AD and 135AD. However, these dates may only indicate when the scroll itself was created, as some of the words used in the scroll date back to the period around 500BC!

The scroll, on two rolls of copper, was found along with many other scrolls in the caves around the Dead Sea on March 14, 1952 at the back of Cave 3 at Qumran. The Copper Scroll is written in a style similar to the Hebrew of the Mishnah, an unusual style of writing different from the other scrolls.

It is believed to refer to the Tabernacle of David and the treasures of the Temple of Solomon which were hidden for safekeeping before the destruction of the Temple by the Babylonians.

It may, in fact, have been written in haste by an illiterate person just before the Babylonian invaders made their entrance.

# Coinkydink 6: *The Copper Scroll* *and the Tabernacle of David*

---

**Isaiah 45:3** – *“I will give you treasures hoarded in the dark, secret riches hidden away, so that you will know that I, Yahweh, am the God of Israel.”*

The Copper Scroll, written in columns, has been translated by Jim Barfield.

Jim Barfield has discovered that Qumran is a mirror image of Jerusalem, and that the locations of treasures of Solomon’s Temple described by the Copper Scroll have now been identified.

Neither the Babylonian’s List of stolen Temple items nor the Bible offers any information about whether the Ark of the Covenant was stolen, lost, or destroyed.

The Copper Scroll may shed light on this issue and may even lead to the Ark’s recovery, tons of silver and gold, worth around three billion dollars today; gems, and coins worth around four to five billion dollars today, as well as the Tabernacle of David!

# Coinkydink 6: *The Copper Scroll* and the *Tabernacle of David*

**Isaiah 45:3** – *“I will give you treasures hoarded in the dark, secret riches hidden away, so that you will know that I, Yahweh, am the God of Israel.”*

According to the *Jewish Christian Lit* website article, [The Copper Scroll 3Q15](#), these hidden treasures may include:

- A strongbox of silver and its vessels with a weight of seventeen talents (Columns 1 thru 8)
- Votive vessels and priestly garments; i.e. The Breastplate of the High Priest (Column 4)
- Ten vessels of offering of pine resin, and an offering of senna (Column 9)
- Dozens of talents of gold, in various places (Columns 11, 12)

According to *Copper Scroll* expert B. Pixner

- The urn [Qalal] which held the ashes of the Red Heifer (Column 26)

As prophesied, the treasures hoarded in the dark and the secret riches hidden away are being revealed! [Hooray!](#)

## **The Historical Documents**

In 1922 an eighteenth century writing called **Emeq HaMelekh** written by Rabbi Naphtali Hertz Bacharach warned that the items from Solomon's Temple would "*not be discovered until the day of the coming of Moschiach, son of David.*"

A **Tosefta Mishnayot** (Rabbinic writing) found in an 8th century storehouse for Hebrew books recovered from Cairo, Egypt, gave the same warning as the Emeq HaMelekh, and referenced a copper plate.

The **Massechet Kelim** (Treatise of the Temple Vessels), included as a prologue to the Emeq HaMelekh, also referenced a luach nechoshet (copper plate, tablet, or scroll). In addition, it gives the background of the people involved in the hiding of the Temple treasures: Shimur the Levite, Hezekiah, Zedekiah, and the prophets Haggai and Zechariah. Baruck, Jeremiah's scribe, is listed as a co-conspirator.

## The Historical Documents

**2 Maccabees** says the Prophet Jeremiah took the treasures of Solomon's Temple, including the Wilderness Tabernacle, the Ark and its contents and hid them in a hollow cave near Mount Nebo, and that "*the place shall be unknown until God gathers His people together again and shows His mercy, and then shall the Lord disclose these things*" (Chapter 2:4-8).

If **2 Maccabees** is accurate, and the artifacts have remained in place where they were hidden, then perhaps they are still there today.

### **Note:**

The Book of **2 Maccabees** and other non-Biblical documents, such as the **Emeq HaMelek**, the **Tosefta Mishnayot**, and the **Massechet Kelim**, give insight to the background of the Copper Scroll.

# Coinkydink 6: *The Copper Scroll* *and the Tabernacle of David*

---

**So what, exactly, is the Tabernacle of David and its significance?**

**2 Samuel 6:17** – “They brought the ark of Yahweh in and put it in its place inside the tabernacle that David had set up.”

**1 Chronicles 16:39** – “David left Zadok the priest and his fellow priests before the tabernacle of Yahweh at the high place in Gibeon.”

Is the tabernacle that David set up the same tabernacle as the Wilderness Tabernacle of Moses?

**2 Maccabees** seems to indicate that they may be one and the same. **2 Samuel 6:17** calls it an 'ohel [H168 אֹהֶל], meaning a tent, but **1 Chronicles 16:39** calls it a mishkan [H4908 מִשְׁכָּן], the Hebrew word more prominently associated with the Wilderness Tabernacle of Moses!

Throughout scripture both Hebrew words are used interchangeably for tent or tabernacle. **Isaiah 16:5** tells us the Yahweh will set up a throne in the tabernacle [H168] of David, and on it will sit “*an honest judge, seeking justice and pursuing righteousness.*”

# Coinkydink 6: *The Copper Scroll* *and the Tabernacle of David*

---

## *The Timing of the Installation of the Tabernacle of David*

**Amos 9:11** – “When that day comes, I will raise up the fallen tabernacle of David. I will close up its gaps, raise up its ruins and rebuild it as it used to be.”

**Acts 15:16** – “After this I will return, and will build again the tabernacle of David, which is fallen down; repair its breaches, and set it up, says Yahweh.”

**Amos 9:11** calls the fallen tabernacle a sukkah [H5521 סֹכָה] but Acts 15:16 calls it a skene [G4633 σκηνή], the official Greek word, same as the Hebrew word mishkan [H4908 מִשְׁכַּן], for the Tabernacle of Yahweh, in other words, the Wilderness Tabernacle of Moses!

Either way, Yahweh declares that this tent, sukkah, mishkan, or tabernacle will be discovered, repaired, rebuilt, and Yeshua will sit on a throne inside it. This tells me that the Tabernacle of David will not be set up until the Millennial Reign of Yeshua.

Perhaps this will be the temporary structure he will use until the final temple, spoken of by Ezekiel, is built (**Ezekiel Chapters 40 to 48**). [Time will tell.](#)

## *Conclusions: The Copper Scroll and the Tabernacle of David*

---

If the book of **2 Maccabees** is accurate, and the artifacts remain in place, any discoveries made as a result of the Copper Scrolls translation tells us that time is short – Yeshua is about to arrive, and the Wilderness Tabernacle of Moses is about to be discovered.

**Amos 9:11** and **Acts 15:16** both call this the tabernacle of David. Perhaps they are indeed the same item.

Israeli Rabbis have called Donald Trump the new King Cyrus and also Mashiach ben Joseph, a messianic figure said to show up just prior to the arrival of Mashiach ben David, whom Christians call Yeshua Ha'Mashiach. The tenth red heifer, the Parah Aduma may be alive today. Many have called for the rebuilding of the Third Temple.

Mondo Gonzales puts it this way: *“The timing of all these events is not coincidental if it comes to fruition. If the precious items from previous Temples were discovered and unveiled, it would provide even more impetus for the finalization and motivation to build the Third Temple allowing these items to be put in their ‘proper place’.”*

Will the restoration of the Tabernacle of David and Israel's Third Temple happen before the coming seven years of the tribulation period?

Time will tell – we do NOT set dates.

# Coinkydink 7: *Eternal Jerusalem and the Third Temple*

---

**2 Chronicles 33:4** – *“And Yahweh said, ‘In Jerusalem shall my name be forever’.”*

**Zechariah 1:11-17** – An angel asks Yahweh *“How long will you not have mercy on Jerusalem and on the cities of Judah, against which you have had indignation these seventy years?”* Yahweh replies: *“I have returned to Jerusalem with mercy. My house shall be built in it.”*

Trump has clearly stated his love for Israel and the Israeli people in 2018 by declaring: *“Jerusalem is the eternal Capital of the Jewish people!”*

Israel has now been a nation for seventy years. This is when Yahweh says his house will be built and he will begin to judge the nations, at the end of the 70 years (**Zechariah 1:12**), in the second year of an administration (**Haggai 1:1**). 2018 was the 2nd year of Trump’s Presidency.

**2 Chronicles 33:4** – *“And Yahweh said, ‘In Jerusalem shall my name be forever’.”*

**Zechariah 1:17** – *“I have returned to Jerusalem with mercy. My house shall be built in it.”*

Plans to rebuild the Third Temple are well underway. A growing number of politicians and Rabbis are calling for the temple to be built, in response to the call by the Sanhedrin in 2018 to include the building of the Third Temple as part of their political campaigns:

- Moshe Feiglin declared: *“I don’t want to build a (Third) Temple in one or two years, I want to build it now.”*
- Shmuel Sackett told Breaking Israel News: *“Building the 3rd and final temple in Jerusalem has been the dream of Jews for more than 2,000 years. The goal of the State of Israel is to bring about the fulfillment of the Jewish dream and not the destruction of it.”*
- John Enarson, the Christian Relations Director of Cry for Zion, said: *“It is the most Jewish site in the entire country.”*

**2 Chronicles 33:4** – *“And Yahweh said, ‘In Jerusalem shall my name be forever’.”*

**Zechariah 1:17** – *“I have returned to Jerusalem with mercy. My house shall be built in it.”*

- Rabbi Chaim Amsalem exclaimed: *“The time to build the Temple is when the entire world wants it and that time is very close indeed.”*
- Mordechai Persoff, a Rabbi and the head of the Mikdash Educational Center, said: *“This is our Temple Mount, it belongs to us. We are not going to go up as visitors. We just have to get a small push to remind us it is time to build the real house in Jerusalem, and it is possible.”*
- Pastor Mondo Gonzales puts it this way: *“The current refrain spoken in the land of Israel has moved beyond the typical expression to, ‘Next year in Jerusalem, the rebuilt’.”*

Just coincidence, I'm sure!

## *Conclusions: Eternal Jerusalem and the Third Temple*

---

Since May of 1948 the Jews have been living in the land of Israel. Jerusalem and many other cities, towns, and areas have been rebuilt. Farming, pharmaceutical, technological, and other industries are booming.

Many Rabbis have declared Donald Trump to be today's Cyrus, whose task it is to build the Temple. A number of Muslim scholars believe the building of the Third Temple can become a joint effort between the Muslims and the Jews.

The Sanhedrin has declared that the Temple should be built as soon as possible and architectural plans for the Third Temple have already been presented. In 2018 seventy Nations were invited to attend the dedication of the Stone Altar.

*According to Tom Horn "Saudi Arabia, Jewish religious leaders, and Donald Trump are negotiating behind the scenes to transfer control of Israel's holy sites—including the Temple Mount—to the Saudis, to complete a "peace covenant" that could result in, among other things, the building of the Third Temple."*

Will the restoration of the Israel's Third Temple happen before the coming seven years of the tribulation period?

Time will tell – we do NOT set dates.

# Significance of the Third Temple

**Zechariah 13:8** –*“In the whole land, declares Yahweh, two thirds shall be cut off and perish, and one third shall be left alive.”*

Many Jews look forward to the Third Temple as being a condition for the arrival of Mashiach Ben David.

The Third Temple will be built, but unfortunately, this temple will not be a temple for their messiah, Yeshua, but will be the temple that will be desecrated by the Antichrist at the mid point of the tribulation period.

It will be the temple in which the Antichrist will erect the abomination of desolation and thereafter murder two thirds of all living Jews.

Triple Yikes!

# THE THIRD TEMPLE

***HOW CLOSE ARE WE?***

**BY PASTOR MONDO GONZALES**

# ***Conclusions***

The “coincidences” are interesting to say the least. Donald Trump may be Yahweh’s instrument to fund and/or empower the Israeli’s to defeat their surrounding enemies and to make it possible for the Temple’s foundation to be rebuilt, both conditions that must be accomplished according to scripture.

What if all the “coincidences” above are more than just wishful thinking? Could 2019 be the year that Yahweh uses Trump to begin or even fully achieve the restoration of Israel’s Third Temple before the coming seven years of the tribulation period? Time will tell – we do NOT set dates.

## ***Final Thought***

Prophecy as foretold by the Hebrew prophets continues to unfold in an escalating pattern. The stage is nearly completely set. The great and terrible Day of Yahweh, Joseph’s Trouble, hastens forth and will not delay. Time is short – Yeshua Ha’Mashiach is coming soon – get busy reaching the lost.
