In **Genesis 2:4**, the word תּוֹלְדוֹת toledoth (H8435) is used to describe the generations of the heavens and the earth.

In **Genesis 5:1**, this word is also used to describe the generations of Adam, but is spelled with a missing vav: תּוֹלְדָה. It continues to be spelled with this missing vav until **Ruth 4:18**, when the “lost” or missing vav is restored.

The restored vav is a picture of the Messiah who would descend from the “generations” of Perez. The vav was lost when the first man, Adam, sinned and restored through the second man, Yeshua Ha’Mashiach.

The Biblical Length of a Generation

- **120** Genesis 6:3 “And Yahweh said, “My Spirit shall not strive with man forever, for he *is* indeed flesh; yet his days shall be one hundred and twenty years.”
- **100** Genesis 15:16 “Know for certain that for four hundred years your descendants will be strangers in a country not their own and that they will be enslaved and mistreated there... In the fourth generation your descendants will come back here... ($100*4=400$)
- **70** Psalms 90:10 “The days of our lives *are* seventy years; And if by reason of strength *they are* eighty years.
- **50** Leviticus 23 to 25 Fifty symbolizes deliverance or freedom from a burden. Yahweh commanded ancient Israel that every 50th year, on the Day of Atonement, that a Jubilee was to be declared with the sound of a trumpet. During the Jubilee year all debts were settled in favor of the debtor and inheritances were returned to their rightful owners. Fifty days are counted between Passover and Shavuot.
- **40** The standard number for a generation being 40 years is well attested. The “forty-year” period occurs about a dozen times in the Bible.

Matthew 24:31-34 "He will send out his angels with a great sound of a shofar, and they will gather together his chosen ones from the four winds, from one end of the sky to the other. "Now from the fig tree learn this parable. When its branch has now become tender, and puts forth its leaves, you know that the summer is near. Even so you also, when you see all these things, know that it is near, even at the doors. Most certainly I tell you, this generation will not pass away, until all these things are accomplished."

STATE OF ISRAEL IS BORN

The first independent Jewish state in 19 centuries was born in Tel Aviv as the British Mandate over Palestine came to an end at midnight on Friday, and it was solemnly proclaimed in the name of the "Jewish People" (State of Israel) was proclaimed, the battle for Jerusalem ended, with most of the city falling to the Jews. At the same time, President Truman announced that the United States would accord recognition to the new state. A few hours later, Palestine was invaded by Egyptian soldiers from the south, and next month, and Tel Aviv was isolated from the sea. On Friday the United Nations Special Assembly adjourned after adopting a resolution to appoint a new...

3 Years from the Blood Moon Tetrad

Hosea 6:2 “After two days will he revive us: in the third day he will raise us up, and we shall live in his sight.”

- It has been said that a solar eclipse denotes the judgment of Yahweh upon the nations, blood moons denote the judgment of Yahweh upon the nation of Israel, and that a solar eclipse occurring in the midst of four blood moons denotes the judgment of Yahweh upon the world.
- Given that the sun and moon are Yahweh’s signs that signal important events, something tremendously eventful must be in the offing.
- It has been two “days” since the last Blood Moons tetrad. We are approaching the third day.

3 Years from the Blood Moon Tetrad

Hosea 6:2 “After two days will he revive us: in the third day he will raise us up, and we shall live in his sight.”

- It has been two days since the last Blood Moons Tetrad. We are approaching the third day.
- The Four Blood Moons of 2014–2015 tell us that Yahweh is getting ready to change the course of human history once again.
- Yahweh is clearly giving us signs but has not yet revealed the exact timing. We do NOT set dates.
- The questions that must be asked, however, are: *“Are we watching and listening? Are we about to see the rapture of the Bride of Christ, the Psalm 83 war, the war of Gog of Magog, and the beginning of the seven year Tribulation period?”*

The 2017 Solar Eclipse

On August 21, 2017, parts of the United States will experience a total Solar Eclipse.

The eclipse will pass through twelve states

The first big city in Oregon it hits is Salem, OR. Salem is named after Jerusalem.

The eclipse also begins in Oregon exactly at sunset time in Jerusalem. So technically speaking, as the sun sets in America it will be setting in Jerusalem at the same time.

The 2017 Solar Eclipse and Number 12

The eclipse will pass through 12 states – Oregon, Idaho, Montana, Wyoming, Nebraska, Kansas, Iowa, Missouri, Illinois, Kentucky, Tennessee, Georgia, North Carolina, South Carolina.

12 disciples, 12 months in a year, the meaning of 12, which is considered a perfect number, is that it symbolizes Yahweh's power and authority, as well as serving as a perfect governmental foundation.

The 2017 Solar Eclipse and Number 33

The first contact in the USA is in Oregon, the 33rd State of the Union.

The last contact in the USA is in South Carolina, which is on the 33rd parallel.

It happens on the 233rd day of the year, and it comes 33 days before the sign of the Virgin depicted in Revelation 12, which happens on September 23rd.

It is 99 years since the last total solar eclipse that went shore to shore in the US, and September 23rd is 99 days from the end of the year. ($3 \times 33 = 99$).

The 2017 Solar Eclipse and Number 40

Yeshua was tempted for 40 days in the wilderness, and there were 40 days between His resurrection and His ascension.

The prophet Jonah gave the people of Nineveh 40 days to repent before judgment would strike. There is a town known as “Nineveh” in the United States as well. On Monday, 93 percent of the sun will be blotted out by the moon in that little town, and 7 years later the eclipse of 2024 will blot out 100 percent of the sun in that same town.

Moses spent 40 days on Mt. Sinai. The first of Elul was when Moses began a period of 40 days of fasting and prayer on behalf of the people of Israel after they worshipped the golden calf, and descended on the 10th of Tishri, at the end of Yom Kippur, when repentance was complete.

The eclipse, which starts on Av 29th is also exactly 40 days from Yom Kippur. Yom Kippur begins at sunset, and it concludes on September 30th, which will be the end of a 40 day period that began back on the day of the Total American Solar Eclipse on August 21st.

The 2017 Solar Eclipse and Number 70

The event will begin on the Oregon coast as a partial eclipse at 9:06 a.m. PDT on August 21, and will end later that day as a partial eclipse along the South Carolina coast at about 4:06 p.m. EDT.

The path of the eclipse is 70 miles wide.

70 has a sacred meaning in the Bible that has two perfect numbers, 7 that represents perfection and 10 that represents completeness and Yahweh's law. 70 symbolizes perfect spiritual order and a period of judgment. 70 is especially connected with Jerusalem. ($7 \times 10 = 70$).

The International Day of Peace

1Thessalonians 5:1-4 “But concerning the times and the seasons, brothers, you have no need that anything be written to you. For you yourselves know well that the Day of Yahweh comes like a thief in the night. For when they are saying, “Peace and Safety,” then sudden destruction will come on them, like birth pains on a pregnant woman; and they will in no way escape. But you, brothers, aren’t in darkness, that the day should overtake you like a thief.”

EIShaddaiMinistries.us

Each year the International Day of Peace is observed around the world on September 21st. The General Assembly has declared this as a day devoted to strengthening the ideals of peace, both within and among all nations and peoples.

The theme for 2017 is:

**“Together for Peace:
Respect, Safety
and Dignity for All.”**

Conclusions

Joel 3:14 – *“Multitudes, multitudes in the valley of decision: for the day of Yahweh is near in the valley of decision.”*

Zephaniah 1:14 – *“The great day of Yahweh is near, it is near, and hastens greatly.”*

- We do NOT set dates. The four Blood Moons of 2014–2015 warned us that Yahweh was getting ready to change the course of human history once again. Yahweh was clearly giving us signs but had not yet revealed the exact timing. However, we are now at the third “day” since their arrival.
- Are we watching and listening? Are we about to see the rapture of the Bride of Christ, the Psalm 83 war, the War of Gog of Magog, and the beginning of the seven year Tribulation period? Will this Yom Teruah see the raising of the dead? Has the United States been singled out for a special warning?

Matthew 24:33 – *“So, you too, when you see all these things, recognize that He is near, right at the door.”*

Mark 13:29 – *“Even so, you too, when you see these things happening, recognize that He is near, right at the door.”*

- Are these many events just mere coincidences, or are they perhaps dire warnings that time is up and the judgments described in scripture are about to unfold? Again, we do NOT set dates – Time will tell if these are just coincidences or dire warnings.
- **Stay alert. The season of Yeshua's return is near.**
